

HomeVision Fallback Review Document

Subject property: 123 Maple Street, Springfield, CA 90210.

Reviewer packet generated for a current on_review document version.

This PDF is intentionally text-based so native browser search can find terms.

Critical issue reference: borrower income analysis is incomplete.

The review cannot be submitted while this critical issue remains.

The source document must be corrected externally and uploaded again.

Major issue reference: flood certification is missing from the packet.

Minor issue reference: capitalization is inconsistent in one heading.

Search terms for QA: HomeVision, critical issue, flood certification, minor issue.
